About East Tenth UMCYC

For the past 23 years, East Tenth United Methodist Children and Youth Center, Inc. makes a difference in the lives of hundreds of Near Eastside Indianapolis children. We are committed to helping children "bloom where they are planted", and our programs serve at-risk children who are ages 6 weeks to 18 years of age. Our early childhood program focuses on creating lifelong learners by engaging children in hands-on experiences and providing the opportunity to grow and explore in a safe environment. Our school-age programming offers drug prevention, conflict resolution training, service projects, cultural education, arts programming, fun and safe recreational time, tutoring and homework help, and a reading program—among others.

East Tenth's mission is to provide a safe place where the spiritual, emotional, educational, and physical needs of children, youth, and their families are responded to in a holistic approach.
